

Prophylaxis Set

Prophylaxis Set

PROTECTION. CARE. CONSERVATION.

Keeping teeth healthy for a long time is the common goal towards which you and your patients work together with us. For this to succeed, VOCO products make an important contribution: With instantly effective **fluoride varnishes** and **desensitising agents** suitable for a great variety of indications. With **fissure sealants** offering high filler content. With **cleaning pastes** in various grades. Our **prophylaxis set** offers you the opportunity to try a number of different products from the oral care section. If you like these products, then we recommend placing a repeat order straight away. The REF numbers of the respective products can be found in our catalogues. Simply enter these in the order form and either fax the form directly to us or hand it to your VOCO dental consultant for processing.
